

2008-09 SSS FEE WAIVER DISTRIBUTION LIST

In most cases, fee waiver recipients should be members of **prospective** families whose annual income falls at or below the levels indicated in the following table.

SSS Fee Waiver Guidelines

Number of Family Members:	2	\$37,375
	3	\$42,170
	4	\$51,875
	5	\$61,725
	6	\$70,670

The guidelines presented above and your knowledge of the circumstances of individual families should help to determine which prospective families are eligible to receive the fee waivers. Other factors might also indicate eligibility for SSS fee waivers, including the following:

- a family that receives public assistance or resides in a federally subsidized housing project
- a student who resides in a foster home or is enrolled in a program such as Upward Bound or other programs intended to assist students who are economically disadvantaged
